

Additional Intermodal Train Service – Port of Felixstowe

Please be advised that we are in receipt of a request to commence an additional train service from the Port of Felixstowe. The request is supported by a robust business case and timings coincide with a suitable operational window on our rail terminal. As such the request complies with our Rail Terminal Allocation procedure as described in our notice dated 28th May 2015.

The proposed service will operate at the following times:
Arrival, 22:35hrs Monday to Saturday (North Rail Terminal)*
Departure, 02:17hrs Tuesday to Saturday (North Rail Terminal)

*Sat arrival 21:36 SRT

If you are interested in this window and can meet the requirements set out above please submit your business case by 1200hrs Friday 6 October.

If you have any queries concerning this matter please contact Martin Woor at woorm@hpuk.co.uk

Any additional paths will be managed under our standard form contract – a copy of which is available upon request.
